

Amendments to the Specification

1. Please change the title to:

GRAVESITE MEMORIAL DISPLAY WITH FLOWER HOLDER FEATURE

2. Please replace paragraph [0001] with the updated version provided below:

[0001] The present invention relates most generally to static display and presentation devices. More particularly, the invention relates to an anchorable gravesite memorial display, configurable with one or more flower holders, for use in displaying personal items such as photos, cards, and a variety of other possible items, including flowers.
